Performance Progress and Monitoring Report

The *Performance Progress and Monitoring Report (PPMR)* is a standard, CDC-wide performance progress and evaluation reporting format used by the Office of Grants Services (OGS) to collect performance information from recipients of CDC funds awarded under all CDC programs, excluding those that support research. General instructions for completing the *PPMR* are contained below. For further instructions on completing the *PPMR*, please contact the agency's points of contact specified in the "Agency Contacts" section of your award document.

Report Submissions

1. The recipient must submit the *PPMR* cover page and any of the forms (*PPMR A-F*), which CDC requires, as specified in the award terms and conditions.
2. The *PPMR* must be submitted to the attention of the agency's points of contact specified in the "Agency Contacts" section of the award document in accordance with the requirements established in the award document.
3. If additional space is needed to support the *PPMR*, supplemental pages should be attached. The additional pages must indicate the following at the top of each page: Federal Grant or other Identifying Award Number, Recipient Organization, DUNS Number, EIN, and period covered by the Report. Page numbers should be used if a particular page is used more than once.

Reporting Requirements

1. All recipients of grants or cooperative agreements awarded under all CDC programs, excluding those that support research, are required to submit a *PPMR* in accordance with the terms established in the award document.
2. The *PPMR* will be submitted in accordance with program guidance and award terms and conditions which may be quarterly, semi-annual, or annual. A final *PPMR* shall be required at the completion of the award agreement.
3. For interim *PPMRs*, due dates will be in accordance with program guidance based on required reporting frequency and budget period start dates.
4. For final *PPMRs* due dates are required not later than 90 days after the end of the reporting period end date.
